

Equality Policy

Haslemere Hockey Club, having taken account of principles and requirements contained in England Hockey's Equality policy (updated July 2014), commits itself to ensuring sports equity and diversity are incorporated across all aspects of its development.

Sports equity is about fairness and inclusivity in sport, equality of access, recognising inequalities and taking steps to address them. It is about ensuring that sport becomes equally accessible to everyone in society.

Diversity respects the rights, dignity and worth of every person and will treat everyone equally within the context of their sport, regardless of age, ability, gender, race, ethnicity, religious belief, sexuality or social/economic status.

The club will make every reasonable effort to publicise/promote membership in ways that are appropriate to all persons in respect of language, format and approach.

The club is committed to everyone having the right to enjoy their sport in an environment free from threat of intimidation, harassment and abuse, and to eliminate prejudice.

All club members have a responsibility to oppose discriminatory behaviour and promote equality of opportunity.

The club will deal with any incidence of discriminatory behaviour according to club disciplinary procedures.
